

Welcome to the 2015 Magnolia Society Seed Counter

This year in spite of the worst winter in recent memory we are thinking of spring blossoms and looking forward to new trees that come from tiny seeds. We thank Stefan Cover, our past seed counter chairman, for his 20 years of dedication to the seed counter. Stefan volunteered countless hours every year for the benefit of our members. While he was/is buried in snow in the Boston Massachusetts area we moved the seed counter to a warmer climate - the Atlanta Georgia area. Needless to say since then several massive storms have swept through the south east USA and deposited unprecedented ice and snow in a wide area. But we are ready with an interesting list for 2015, limited somewhat by a less than stellar seed harvest last fall.

We encourage you to try our online seed order form - your order and payment will be recorded immediately and it does the addition automatically for you.

Online Orders (preferred method):

Order online using our website (www.magnoliasociety.org). Log in with your email address and password - select Members and go to the seed counter page. You will see a link for the seed counter online order form on the right side of that page.

The online order form will total your order and include the postage.

Mail In Orders (Postal Mail Only)

Orders will be filled in the order received, so we encourage online orders. If you prefer to mail in orders, please send order form and payment to Beth Edward, 3000 Henneberry Rd, Jamesville, NY 13078 USA. We accept checks (in US Dollars) and will also accept credit card information that is sent via postal mail. PLEASE DO NOT SEND EMAIL ORDERS OR CREDIT CARD INFORMATION VIA EMAIL. If you send your order by postal mail, please make sure to include your name and the address where the seeds should be mailed. (Every year we receive at least one order without any identifying information on it). If you would like to receive an email when your order has been received, please include your email address.
