

## Gardening is alive and well on the internet...

TMS members who would like to participate in an email “robin” should contact Frances Parker at [fullwood@bluecrab.org](mailto:fullwood@bluecrab.org). An informal “robin” has been making the electronic rounds for several months, thanks to her organization. 🐦

**Magnolia Pristine** (*Magnolia denudata* × *M. stellata* ‘Waterlily’). The flowers are the color of *M. denudata* but with double the tepals. Photo taken by Donald King at his previous residence in Federal Way, Washington.
